July 2012

## PRESIDENT'S MESSAGE

The numbers are in, and although it wasn't a record-breaking breakfast, we all worked just as long and hard to make our only annual money-making project a success. The manpower was awesome, as usual, working like busy bees with each Lion, CIS and others knowing their jobs. Watch out, Lion Scott, your future job is before you.

Not only was there the breakfast crowd to tend to, but we had to be sure the work crew was fed lunch after all their hard work. To all Lions, CIS, Leos, scouts,

the soccer team along w/their parents, visiting Lions and other volunteers, too numerous to mention, a huge thank you. I must mention that the breakfast couldn't run as smoothly without the efficiency and effervescence of Lion Ken.

With the variety of entertainment, folks got their money's worth of food and fun. There was worry we'd have a full house w/no way to ask people to leave, but it all worked out w/everyone happy, even the kids entertained by Magician Richard Bautista and all his balloons. Thanks, Dennis, for providing a cavalcade of stars.

Comments and suggestions were heard at our 2<sup>nd</sup> meeting in June, ranging from ways to make the lines go faster to the flow of pancakes to the serving line, which will be addressed at the planning stages of our 40<sup>th</sup> breakfast!

Now it's down to business of evaluating our membership, which was done w/our breakfast

evaluation, and approving the budget for the year. Thanks, Tom, for helping to bring our admin budget more into line and to those responsible on the committees for closely examining the figures. Thanks to Lion Ken for presenting the membership survey; the results to be forthcoming at our 1<sup>st</sup> meeting in July.

With the new board with just a few names switched on different committees, we can commence to continue our service in our community. Mahalo to those who will continue on their committees, and to the new members, who are taking on the challenge. One of my goals for the year is more environmental services along w/what we already do in our committees. One way of maintaining membership is based on interest in the club. Members, if you find a passion for helping others different from what we already do, speak up! Another desire is for our club to associate w/our fellow Lions from other clubs to not only

know them, but learn what activities they do unlike ours.

July 7 might bring the firemen to Lung Fung, as we put IPP Tom on a spit and roast him. Come join us if you want to partake in Roast Tom Turkey.

Be on the alert – projects in July are the tree planting in Kalama Valley on July 21, and the DH Hike on July 14 w/the International Youth Camp, for which I am Chairman. Last year, Lion Selvin Chin-Chance from Kaimuki LC made a beautiful DVD of the hike, which he gave to the youths and with his enhancement and embellishment, you'd want to make that climb often. The Heart Walk follows in early August w/Lion CF in charge.

Sorry, but there will no “growing up” pictures for 12 months. I don't want you to say “You were so cute as a baby”!

## Upcoming 19th Annual Oahu Heart Walk on Sat., Aug. 11, 2012

*Story submitted by Aki/CF Leu*

Fellow Lions...it's time to help at the American Heart Association's 19th Annual Oahu Heart Walk on Saturday, August 11, 2012 at Kapiolani Park. Like previous years, our members will be responsible to prepare the heart-healthy snacks for the walkers who will be walking around Kapiolani Park or around Diamond Head.

We will need to report at 6:00 a.m. and be available to help package the goody bags for the walkers. Lion C.F. will be circulating a sign-up sheet at the meetings in July and August, so

please be prepared to sign in yourself and your CIS.

In Hawaii, more than 3,200 people die each year from heart disease, so please take time out on August 11th to help make this fundraiser a success.

Examples of other uses of the furoshiki will also be shared.

## Father's Day Bake Sale

*Submitted by Patty Osaki*

Once again we have had another successful bake sale. A great, big thank you to all the CISes who participated in making so many delicious items for us to sell. I know everyone is really busy and it takes a tremendous effort to make and package things at the last minute so that the items can be as fresh as possible. Of course, all the donations are equally appreciated! Because of all the team effort, the bake sale has been a lot of fun for me. I will truly miss being there next year. The bake sale pretty much runs on auto pilot, and next year you will realize the bake sale will be just as successful as it always has been because of everyone's contributions. Thank you for all the good times and happy memories.
